	206	208	210	211	212	217 - VERSIUS	218	226	227	229	230	231	232	Collegium Anatomicum	Mass Accident!	SATURDAY 20.04 SALA 226
8:00			**Ultrasound Guided Injections 1** [8:00-9:00]					**Dermatology** [8:00-9:30]								
8:15					**Intestinal anastomosis 1** [8:30-10:00]											
8:30												**Basic Laparoscopy 1** [8:30-9:30]		**Cadaver 1** [8:30-10:30]		
8:45																
9:00																**Knee USG 1** [9:00-10:00]
9:15			**Ultrasound Guided Injections 2** [9:00-10:00]													
9:30																
9:45												**Basic Laparoscopy 2** [9:45-10:30]				
10:00					**Intestinal anastomosis 2** [10:00-11:30]	**Robotic Surgery 1** [10:00-10:30]							**Surgical Suturing 1** [10:00-11:00]			
10:15																
10:30											**Vascular Prothesis Suturing** [10:30-12:00]					
10:45						**Robotic Surgery 2** [10:45-11:15]						**Basic Laparoscopy 3** [10:45-11:45]				
11:00																
11:15													**Surgical Suturing 2** [11:15-12:15]	**Cadaver 2** [11:00-13:00]		
11:30						**Robotic Surgery 3** [11:30-12:00]										
11:45																
12:00																
12:15						Break					**Valve suturing 1** [12:15-13:45]					
12:30													**Surgical Suturing 3** [12:30-13:30]			
12:45						**Robotic Surgery 4** [12:45-13:15]										
13:00				**Gastroscopy, Colonoscopy and Symbionix 1** [13:00-14:30]	**Tendon Suturing 1** [13:00-14:30]			**Orthopedics - casting, clinical examination 1** [13:00-14:30]								**Skin Graft 1** [13:00-14:00]
13:15																
13:30						**Robotic Surgery 5** [13:30-14:00]										
13:45																
14:00							**Anesthesiology 1** [14:00-15:30]					**Advanced Laparoscopy 1** [14:00-16:00]			[14:00-15.30]	
14:15						**Robotic Surgery 6** [14:15-14:45]										**Skin Graft 2** [14:00-15:00]
14:30			**Abdominal USG 1** [14:30-16:00]								**Vascular Prothesis Suturing 2** [14:30-16:00]					
14:45				**Gastroscopy, Colonoscopy and Symbionix 2** [14:45-16:15]	**Tendon Suturing 2** [14:45-16:00]			**Orthopedics - casting, clinical examination 2** [14:45-16:00]								
15:00						**Robotic Surgery 7** [15:00-15:30]							**Surgical Suturing 4** [15:00-16:00]			
15:15																
15:30	**Gynecology 1** [15:30-17:00]															
15:45						**Robotic Surgery 8** [15:45-16:15]	**Anesthesiology 2** [15:45-17:15]									
16:00																
16:15			**Abdominal USG 2** [16:15-17:45]								**Valve suturing 2** [16:15-17:45]	**Advanced Laparoscopy 2** [16:15-18:00]	**eFAST USG 1** [16:15-17:45]			
16:30				**Gastroscopy, Colonoscopy and Symbionix 3** [16:30-18:00]												
16:45																
17:00		**Gynecology - precipitated labor** [17:00-20:00]						**Vascular Surgery 1** [17:00-18:00]								
17:15	**Gynecology 2** [17:15-18:30]															
17:30																
17:45																
18:00			**Thyroid USG 1** [18:00-19:30]										**eFAST USG 2** [18:00-19:30]			
18:15				**Gastroscopy, Colonoscopy and Symbionix 4** [18:15-19:45]				**Vascular Surgery 2** [18:15-19:15]				**Advanced Laparoscopy 3** [18:15-20:00]				
18:30																
18:45
